FORWARD SOLAR PANELS, A LEADERSHIP MARSHFIELD PROJECT

MACCI had the pleasure of hosting a Ribbon Cutting ceremony for the new Solar Panels at the Marshfield School District's School Forest on November 17, 2021.

Each year, members of Marshfield Area Chamber Foundation's Leadership Marshfield are tasked with creating a project that will benefit the community of Marshfield. A 2020 group project was "Sustainable Marshfield" and had a goal to install a solar panel array at the Marshfield School District School Forest. The group members consisted of Ross Gessert, Kelsey Buhr, Julie Leu-Martinek, Brad Knowles, and Alex Lendved.

"We knew that bringing a working solar array to the area would allow both students and the community an opportunity to interact with the

project display, view a solar array, while also allowing the School Forest building utility costs to be supplemented by the solar array," Lendved noted.

Left to Right: Pete Winistorfer, Town of Rock; Ross Gessert, Marshfield Wastewater Management; Julie Leu-Martinek, City of Marshfield Police Department; Alex Lendved, Mid-State Technical College; Bill Sennholz, Forward Bank; and Ryan Christianson, School District of Marshfield.

Forward Bank generously donated \$10,000 for this educational, sustainable project. The group raised nearly \$19,000 in total to see this project come to fruition.

SHOP SMALL

Karen Isaacson, Talent & Member Relations Director, and Krystal Bowman, Director of Programs & Engagement, got out on Saturday, November 27th to promote "Small Business Saturday." Gift bags with local promotions and gift certificates were distributed to 40 lucky customers as a "thank you" for shopping small.

LEADERSHIP MARSHFIELD, EDUCATION DAY

On Thursday, November 18, 2021 Leadership Marshfield participants had a chance to learn more about our local education system - all the way from elementary to post-secondary. Students toured and participated in hands-on activities or listened to virtual presentations at Mid-State Technical College, Madison Elementary, Marshfield High School's new Community Stadium, Marshfield Middle School, Columbus Catholic High School, and UWSP-Marshfield.

AMBASSADOR SPOTLIGHT, CHERYL SCHWANTES

Name & Career: Cheryl Schwantes, Owner/Agent/Paralegal at Badger Title

What do you enjoy about being an Ambassador? I LOVE working within the Community where I was born and raised. Watching the City and the Community grow and thrive is so exciting and heartwarming. Serving as an Ambassador, I have the honor of a "front row seat" to it all. Welcoming new people to the community, connecting with others and the general overall fellowship our Ambassadors share with each other is great.

What is your most memorable moment from a MACCI event? I would have to say that my most memorable moment from a MACCI event is the experience I had during Leadership Marshfield. I was overwhelmed by all the things our small Community had to offer. There was so much I was never aware of. I highly recommend taking part of this event.

What is one interesting fact about you that most people don't know? This is a hard one I guess to most people I appear very outgoing and an extrovert, but in truth I am pretty much a shy introvert.

What is your favorite activity to do in the Marshfield area? Fish Fries and Old Fashions on a Friday night!! Visiting the Zoo and taking my dogs on long walks in the area nature trails.

NOMINATIONS OPEN DECEMBER 6TH FOR THE 19TH ANNUAL CRYSTAL APPLE AWARDS

On Monday, December 6, 2021, the Marshfield Area Chamber Foundation will kick off their 19th annual Crystal Apple Awards program, recognizing “excellence in education.”

The chamber prepared a kick-off video shared with 10 area school districts, including: Marshfield public, Columbus Catholic, Immanuel Lutheran, Spencer, Greenwood, Granton, Pittsville, Auburndale, Neillsville, and St. Joseph in Stratford, and provided gifts in appreciation for what educators do. Thank you, Marshfield Clinic Health System, for sponsoring this year’s appreciation gift.

Students, parents, community members, and colleagues are encouraged to nominate their favorite teacher. Nominations can be submitted electronically and by hard copy. The deadline to submit a nomination to MACCI’s office is Monday, December 20th.

The program will culminate with a May banquet honoring 24 Teachers of Distinction. The recognition event will be held in early May honoring our area educators, including the four Crystal Apple Winners.

In 2021, MACCI received a record number of nominations – 1,313 for 347 different teachers. Qualifying nominees’ names were placed on an online ballot and teachers at each respective school voted on their top candidate from their school. To nominate a teacher, visit www.marshfieldchamber.com or MACCI’s [Facebook](#) page.

Show you care - now more than ever!

HEALTH CAREER CONNECTIONS, A YOUTH WORKFORCE DEVELOPMENT PROGRAM

Students toured UWSP at Marshfield and accomplished the escape room – Find the Missing Patient.

Program Goal:

Help shape future health care workforce. With aging populations and continued medical advances, the demand for healthcare and career opportunities in the field will continue to increase dramatically. As that demand increases, so will the need for well-trained, motivated employees who are committed and capable of delivering innovative healthcare solutions.

Program Benefits:

- It develops a workforce of young people who have employability skills and on-the-job experience.
- It helps to identify potential future employees.
- Students who participate in the program have a positive attitude towards productivity in the workplace.
- Provides students with great resources to make a sound decision for their future.
- Students have a great understanding of the skills that employers are looking for (such as: academic skills, teamwork skills, and personal management skills).
- Students who enthusiastically participate in this program are not only aware of the required skills, but they continually work to improve these skills.

Program Value:

This program allows high school seniors to shadow a variety of jobs in the medical field where they can find out more about certain occupations. These young adults complete a full-semester rotation at Marshfield Medical Center exploring areas such as Pediatrics, Critical Care Unit, Child Advocacy, Emergency Room Patient Relations, House of the Dove, Clerical Support, Inpatient & Outpatient Pharmacy, Ronald McDonald House, Medical / Surgical Units, and more.

During the other semester, students complete rotations at other area health service community partners. Rotations during this semester are in a variety of fields such as dental, chiropractic, eye care, massage therapy, assisted living & nursing home care, pharmacy, occupational therapy, dietary/nutrition, physical therapy, health & fitness, health administration, and funeral home experience. This offers students a better understanding of their health career options and provides them with significant “hands-on” experience.

Partner School Districts:

Auburndale School District, Columbus Catholic School, Granton School District, Marshfield School District, Spencer School District

Partner Healthcare Businesses:

Aster Assisted Living, Bents Chiropractic, Childrens’ Hospital of WI, Companion Day Services, Dental Crafters, Dental Clinic of Marshfield, Eyecare Center of Marshfield, Gateway Counseling & Day Treatment, Health In Motion, Marshfield Clinic Health Systems YMCA, Marshfield Clinic Pharmacy on Central, Marshfield Fire & Rescue, Marshfield Medical Center, Next Steps Prosthetics, Norwood Health Center, Prairie Run Dental, PreventionGenetics, Rembs Funeral Home & Crematory, Revive Therapeutics, Stoney River Assisted Living, Three Oaks Health Services, UW Stevens Point at Marshfield, and Walgreens Pharmacy.

CORY LATOURELL, GENERAL MANAGER OF HOTEL MARSHFIELD, PRESENTED WITH INDUSTRY AWARD

The Wisconsin Hotel & Lodging Association (WHLA) has honored Cory Latourell, General Manager of Hotel Marshfield, with its annual Innkeeper of the Year Award. The Innkeeper of the Year Award is a time-honored tradition that recognizes an outstanding individual who exemplifies the hospitality industry in our state. She was presented with the award at the awards luncheon at the 125th Anniversary Wisconsin Lodging Conference held at the Brookfield Conference Center on November 8.

As the General Manager of Hotel Marshfield, Latourell leads a team of 85 employees in operating the 99 room property. Since stepping into the role in 2013, she has quickly made her mark on the community and area lodging industry. The property has received numerous accolades including being voted "Best Hotel in Marshfield" for the past 8 years in Visit Marshfield's National Tourism Week competition.

As an active member of WHLA, Latourell currently serves as a lodging director on the board and was elected to serve as chair of the Education/Conference Committee in 2022. Locally, she has served on the Marshfield Area Chamber of Commerce and Industry board of directors and continues to serve on the board of directors for Visit Marshfield, and the Midstate Technical College Advisory Committee for Hospitality Studies. She is also a member of the Marshfield Area Human Resources Association.

"Cory's dedication and commitment to Wisconsin's lodging industry and to her local community make her a very deserving recipient of the WHLA Innkeeper of the Year Award," said Bill Elliott, President & CEO of the Wisconsin Hotel & Lodging Association. He continued, "She has a solid track record of building a great team culture where employees are eager to jump in and help one another. She learned how to do this through a lifetime of working in the hospitality industry, including in the bars, bowling alleys, restaurants and hotels that her parents ran when she was growing up. Today, that translates into a strong employee retention rate."

Visit WisconsinLodging.org to learn more about the Wisconsin Lodging Stars of the Industry Awards. Visit the WHLA photo album to view and download event photos.

PREVAIL BANK GIVES BACK

Denise Sonnemann, Marshfield Branch Manager of Prevail Bank, presents a \$500 donation to the Founder of the "CHRISTMAS IN JULY" Charity, "Santa" Greg Cemke.

Prevail Bank donated **\$500 to support the only Children's Miracle Network Hospital** in central and northern Wisconsin. That hospital is the Marshfield Children's Hospital. The funds will be used to help make a child's hospital experience a little more bearable and happy, and to help provide comfort to those parents that are going through a very anxious and nervous time in their lives.

"The charity's main goal is to help bring smiles and comfort to children and families that have to endure hospitalizations and medical treatment," said "Santa" Greg Cemke, "CHRISTMAS IN JULY" Charity Founder. "We are very appreciative of Prevail Bank's donation which will assist with the Charity's mission of providing a means of allowing the children to escape the hospital environment. This is extremely important during this time. A big Ho! Ho! Ho! Santa thank you to Prevail Bank for being part of the Charity's effort!"

Denise Sonnemann, Prevail Bank Branch Manager – Marshfield, shared, "Prevail Bank is proud to support the "CHRISTMAS IN JULY" Charity, the children receiving treatment at the Marshfield

Children's Hospital, and those parents preparing to say good-bye to their child for the last time. Whatever we can do to soften the hurt, accelerate the healing, and provide comfort is priceless."

The "CHRISTMAS IN JULY" Charity helps fund non-budgeted items that help children in the Marshfield Children's Hospital. This is its 7th year and the Charity is raising funds for three child experiences: 1) Star light ceiling tiles for treatment and recovery rooms that will help distract and sooth children as they recover from surgery or other procedures, 2) The purchase of six portable gaming systems that can be moved throughout the hospital so families may have fun with their child, and 3) Precious Moment Memories. Life is full of precious moments and for those parents that are preparing to say goodbye to their child, a mold of their child's hand within theirs, forever captures their love. Prevail Bank's goal is to pursue what's possible within the communities it serves. It is passionate about economic development, financial stability and growth for individuals, families, and businesses. Prevail Bank is a community bank that is continuously looking for ways to give back, support those pursuing dreams, and make things better in central Wisconsin.

Prevail Bank's Charitable Contributions program is available for local non-profit organizations that help local people in need, especially those with low-to-moderate incomes; stimulate communities financially; and/or enhances the standard of living of those less fortunate. If your organization is interested in applying for funds for a major initiative in your community, go to: Prevail.bank/resources/community.

Prevail Bank is encouraging the Marshfield community to donate to the Ronald McDonald House (RMH). The RMH reduces the stress and financial burden for families when they must travel far from home to access medical care for their child. Through 375+ Ronald McDonald House Programs, millions of children and their families are served each year; one of which is located in Marshfield WI. Unfortunately, because they don't have enough sleeping rooms, 138,000 families, throughout the world, are turned away each year. Your donation can help the Ronald McDonald House expand to fulfill the needs of more sick children and their families.

Anyone in the community can drop off monetary donations to Prevail Bank in Marshfield at 810 N. Central Avenue by December 17, 2021. **Prevail Bank will match all donations up to a total of \$1,000.**

Denise Sonnemann, Prevail Bank's Branch Manager in Marshfield, states, "We are very excited and happy to support Holiday Giving and our local Ronald McDonald House at the same time. This organization helps families physically, economically, and emotionally during their health care journey. They provide compassionate care when it's needed most."

Prevail Bank is also matching all donations up to \$1,000 total at its other branch locations for various organizations.

TOUR ITINERARY:

DAY 1: TUE MINNEAPOLIS – CAIRO

Please arrive in time at Minneapolis airport to check-in and board your flight(s) to Cairo, Egypt. Enjoy in-flight meals and services.

DAY 2: WED CAIRO ARRIVAL

Welcome to Cairo! Cairo, called Al-Qahirah in Arabic, with a population of 17 million, is not only Africa's largest city but the political and cultural center of the Arab World. Cairo's old quarters retain their ancient charm with many streets still known by descriptions given to them by medieval chroniclers. Modern Cairo's architecture is distinguished by Ottoman and later European influences, especially in commercial architecture, particularly as the city's population boomed during the 19th century. On arrival at Cairo International Airport you will be met and transferred to your hotel for check in. Overnight in Cairo

DAY 3: THU CAIRO – LUXOR (B/L/D)

This morning we are transferred back to Cairo International Airport for a flight to Luxor. Upon arrival in Luxor, we will be escorted to our cruise ship for our embarkation. This will be our home for the next four nights. Lunch on board and in the afternoon, we will visit Luxor and Karnak Temples. Luxor Temple was the center of the most important festival, the festival of Opet. Built largely by Amenhotep III and Ramses II, the temple served as a setting for the rituals of the festival, which was held to reconcile the human aspect of the ruler with his divine office. The procession of images of the current royal family began at Karnak and ended at the Luxor temple. Karnak Temple was erected in 1928 BC as a small shrine dedicated to Amun, God of Thebes. The Temple of Karnak comprises three main temples, smaller enclosed temples, and several outer temples - all constructed over 1300 years. The three main temples

of Mut, Monthu and Amun, are enclosed in enormous brick walls, with the temple of Amun at the center. Karnak is now the largest and oldest temple compound on earth. Dinner and overnight on board in Luxor.

DAY 4: FRI LUXOR – EDFU (B/L/D)

After breakfast, cross the newly constructed Luxor Bridge to visit the Valley of the Kings, which includes the tombs of the Theban rulers, Seti I and Tutankhamen. The Valley of the Kings in Upper Egypt is home to many pharaonic tombs of the New Kingdom, including those of King Tutankhamun and Ramses the Great. Each king's formal name and title is inscribed in his tomb, which are also adorned with his images and statues. Most of the tombs were cut into limestone following a similar pattern: three corridors, an antechamber, and a sunken sarcophagus chamber. Explore several amazing Royal Tombs. Then visit the Valley of the Queens which includes between 75 and 80 tombs. These tombs belong to queens of the 18th, 19th and 20th Dynasties. Among these is the famous tomb of Nefertiti, one of the five wives of Ramses II. Afterwards tour the mortuary Temple of Hatshepsut, the only woman Pharaoh to rule ancient Egypt. The mortuary temple of Queen Hatshepsut of the 18th dynasty was built just north of the Middle Kingdom temple of Mentuhotep Nebhepetre, amid the bay of cliffs known as Deir El-Bahri. In ancient times the temple was called Djoser-djeseru, meaning the sacred of sacreds. The female pharaoh chose to build her temple in a valley sacred to the Theban Goddess of the west, on a direct axis with Karnak Temple of Amun on the East Bank. After lunch on board we sail to Edfu via Esna. Ancient Nubia was known to the pharaohs as the "Land of Gold," and its wealth and lands were eventually incorporated into Egypt around 1500 BC. This afternoon, join your shipmates for afternoon tea. Dinner and overnight on board in Edfu

Optional: Hot air ballooning over the valley at sunrise - \$150

Enjoy the splendours of the ancient historical sights of Luxor from the air. See this spectacular landscape from the unique viewpoint that only hot air ballooning can provide. Glide majestically over the temples and burial grounds of the Pharaohs and allow history to come to life before your eyes.

DAY 5: SAT LUXOR – EDFU – KOM OMBO – ASWAN (B/L/D)

Enjoy breakfast on board before visiting the Temple of Edfu. This temple is not only the best-preserved ancient temple in Egypt, but also the second largest after Karnak. It was believed that the temple was built on the site of the great battle between Horus and Seth. Hence, the current temple was but the last in a long series of temples build on this location.

We then sail to Kom Ombo and have lunch and afternoon tea on board the ship. This afternoon, disembark and enjoy a short walk to the Temples of Kom Ombo. This temple complex actually consists of two temples: the Temple of Sobek and the Temple of Haroeris. In ancient times, sacred crocodiles basked in the sun on the riverbank near here. The Temple has scant remains, due first to the changing Nile, then the Copts who once used it as a church, and finally by builders who used the stones for new buildings. As we sail toward Ancient Nubia, participate in an Egyptian Galabeya Party. Overnight on board in Aswan

DAY 6: SUN ASWAN (B/L/D)

After breakfast, visit the High Dam and the Temple of Philae. South of here lies the flooded lands of Nubia, Sudan, and Ethiopia. Just north of the border between Egypt and Sudan lies Aswan High Dam, a huge rock-filled dam which captures the world's longest river, the Nile, in the world's largest artificial reservoir, Lake Nasser. The dam, known as "Sadd El-Aali" in Arabic, was completed in 1970 after 10 years of work. Then, on to the granite quarries, which supplied the ancient Egyptians with most of the hard stone used in their pyramids and temples, and see the famed Unfinished Obelisk, located in the Northern Quarry, still lies where a crack was discovered as it was being hewn from the rock. This obelisk would have been the largest ever erected if it hadn't cracked before it was fully quarried. Tools left by its builders have given archaeologists much insight into how such work was performed. Invoke the healing powers of the goddess Isis with a visit to the Temple of Philae and the delightful Temple of Isis. Enjoy a short trip on a motorboat to Philae Temple, which will bring you to a magnificent vista of the island of Agilika before landing at what would have been the ancient quay on the south side. The temple was dedicated to the goddess Isis and has many legends connected to it. The most well-known legend tells the story of how Isis found the heart of Osiris here after his murder by his brother Seth. Return to the ship for lunch before boarding a traditional felucca to enjoy a sail around Kitchener's Island along with a visit to the botanical gardens, 6.8 hectares teeming with a variety of birds, flora and palm trees. Have dinner back on board the cruise ship and relax as you watch the evening's Nubian entertainment show. Overnight onboard in Aswan

DAY 7, MON: ASWAN – CAIRO (DISEMBARKATION) (B/-/-)

Disembark the cruise after breakfast. From there you will be transferred to Aswan Airport for your flight back to Cairo.

Depending on arrival time you will go to hotel check-in & then leave immediately OR go straight from the airport to visit the Egyptian

Museum. Experience the most important depository of Egyptian antiquities anywhere in the world. The current Egyptian Museum boasts 107 halls filled with approximately 160,000 objects covering 5,000 years of Egypt's past. It features artifacts from the Pharaonic and Graeco-Roman periods, including the celebrated mummies of ancient Egypt's king and Tut Ankh Amun treasures. A brand new Grand Egyptian Museum is scheduled to open by end of 2021. When commissioned, it will be the largest museum on planet earth close to Pyramid's area and will have many additional artifact & historical monuments returned by European nations.

Enjoy the remainder of the day at leisure.
Overnight in Cairo

DAY 8, TUE: CAIRO (B/-/-)

Today you will visit the Pyramids and Sphinx - reckoned by the Greeks to be one of the Seven Wonders of the World. A single pyramid is built from 2,300,000 blocks, each weighing approximately two and one-half tons. In the face of such immensity, one cannot help but feel the awe and wonder which so many writers and artists have sought to convey over the centuries. The Cheops Pyramid is particularly interesting since its interior burial chambers are open for inspection by the public. Not far from the Pyramids is the Great Sphinx of Giza, dating to the time of Chephren (2620 BC). Sculpted from natural yellowish limestone and standing 65 feet high & 187 feet long, this unforgettable statue combines the head of a Pharaoh with a lion's body. Afterwards, enjoy lunch at a local restaurant (on own expense).

We will then continue our journey to the Citadel, situated on a highly visible spur of the Mokattam Hills of Old Cairo, was the nerve center of Egypt for nearly 700 years. Construction of the grand structure began in 1176 and was completed by Muhammad Ali Pasha, ruler of Egypt in the

late 19th century. Mamluk sultans and Turkish governors resided in the Citadel; one of the world's most fascinating monuments of medieval warfare. Facing the Citadel is the Mosque of Sultan Hassan, built between 1356 and 1363 and perhaps the most majestic monument of Arab architecture in Egypt. The Mosque of Al-Rifai was constructed in two phases over the period between 1869 and 1912 when it was finally completed. The tour also includes a visit to Khan El Khalili, known as the Turkish bazaar during the Ottoman period. It was built in 1382 by Emir Djaharks ElKhalili, in the heart of what was then Fatimid City. Until this day, the bazaar remains a center of trade and communion in the city and offers a wide array of antiques, handcrafts of gold, silver and copper, as well as old coffee shops and local restaurants which attract Egyptians and tourists alike.

Evening return back to the hotel. Overnight in Cairo.
