Please calculate your Membership Investment by identifying your category and number of employees

Your Marshfield Area Chamber of Commerce and Industry

MEMBERSHIP INVESTMENT APPLICATION

The Mission of Your Chamber of Commerce is...

"To provide leadership and support for the economic advancement of our community while serving as a catalyst for the development of programs and services that benefit our members."

700 South Central Avenue, P.O. Box 868
Marshfield, Wisconsin 54449

What is your Chamber?

As your chamber works to accomplish goals, it wears many hats; economic developer; tourist information center; business spokesperson; economic counselor and teacher; government relations specialist; human resources advisor, and public relations practitioner.

Who are your Chambers members?

Chamber of Commerce members are business organizations and individuals concerned with the social and economic climate of your community. They have joined together because they know they stand a better chance of getting things done when they speak as one voice.

Simply stated, your Chamber is business and professional people working together to make your community a better place for everyone to live and work.

Who leads your Chamber?

Your Chamber of Commerce is run by its members. They elect a Board of Directors that determines policies and goals. A president presides over all Board meetings. Members are encouraged to attend these Board meetings.

Your Chamber's day-to-day operations are handled by an Executive Director, Program Director and Administrative Assistants. To make our organization more efficient and cost effective, several years ago the industrial development corporation merged with the Chamber. Today economic and workforce development objectives are handled by your Chamber and the Chamber Foundation, employing two additional directors. The Marshfield Convention and Visitors Bureau is also located within our building with the CVB Executive Director managing tourism components of the community. This collaboration and consolidation over the years has enhanced communication and increased our mission's overall effectiveness.

Members often become involved in Chamber activities by working on committees. These committees range from economic development and small business, to business/government relations and annual events.

What are the objectives of your Chamber?

- To strengthen and maintain a solid, diversified economic base - one that ensures a healthy business climate and a prosperous, progressive community.
- To promote and protect the fundamentals of the free enterprise system as the foundation of our nation and the American way of business and opportunity.
- To provide the necessary leadership and service in cooperative efforts with the public and private sectors aimed at improving the quality of life in the Marshfield area.
- To help our members manage more effectively, efficiently...and productively.

How are your Chamber services financed?

- By members' investments which vary according to the company size and classification.
- By program and sales revenue.
- By contract services provided to other organizations.
- By city, county and state appropriations designated specifically for economic and workforce development.
- By voluntary investment.

Why Businesses Join MACCI!

Association investments are not the easy business decision they once were. In our challenging economy, companies of all types have to demonstrate a return on investment for virtually every expenditure they make. It is no wonder that most associations are seeing a decline in membership; they have been unable to demonstrate tangible benefits for their investment paying members.

According to a national study by The Schapiro Group, when business decision-makers believe that a business is a Chamber member, they are 58% more likely to think positively of its local reputation, and 59% more likely to buy goods and services from it. MACCI takes great pride in the tangible, relevant benefits it provides to members.

Nearly 600 companies - of all sizes, in every business sector, across the entire state - believe MACCI membership pays for itself each year. When you join MACCI, your concerns, your voice, will be heard with thousands of others that are wrestling with business issues like yours.

Building Our Future Workforce

- Partner with eight area school districts to offer Youth Apprenticeship program
- Building the bridge between students, teachers and employers
- Provide community tours to potential new employees/residents
- Sponsors and conducts numerous programs to strengthen the workforce
- A Young Professionals Network helps develop and retain future workforce
- Provides data regarding the State's economy
- The Marshfield Area Human Resource Association (MAHRA) provides a network for business and industry professionals to share human resource and other information of mutual concern.

Growing Your Business and Our Community

- Provide business referrals
- In-house professionals and SCORE counseling to assist with business issues
- Promote "buy local" programs
 - Selling Chamber gift certificates
 - Provide ribbon cutting and groundbreaking ceremonies

- Business promotion in Chamber lobby, website and publications.

- Provide updates on wage and salary survey, economic profiles, industries booklet and retail guide

Developing Better Infrastructure

- Work closely with the WisDOT regarding transportation issues
- Technology Council meets to advance business telecommunication needs
- Active role in reconstruction of South Central Avenue
- Industry Council meets to discuss issues/needs
- Work with City in joint partnership with Industrial Park developing business and industrial parks

Advocacy at the State & Federal Capitols

- Voice of Chamber membership to City, State and Federal government
- Represent Marshfield at Central Wisconsin Days in Madison
- Offer Economic Indicator updates
- Host informational breakfasts to keep members informed of important city, state, and federal issues
- Take positions that represent our communities best interests
- Member of WMC, American Chamber of Commerce (ACCE) and US Chamber of Commerce to keep members informed of legislative updates

Opportunities to Learn and Network

- Provide numerous networking opportunities throughout the year - *exclusive* to Chamber members
- Offer various workshops to help you in your business
- Reach 1100 business contacts monthly through newsletters
- Leadership Marshfield program offered annually to potential business leaders
- Provide business link to Chamber's website
- Offer meeting place to make things happen

We understand that your business is approached every week by associations, coalitions and causes requesting financial support. We believe, as do nearly 600 Chamber members, that MACCI membership is a tangible investment in your company's future. Members have found over the years that their MACCI membership investment pales in comparison to member program discounts and the financial savings their company experiences with the favorable legislation we aggressively pursue.

Talk with your MACCI staff today. We'll learn about your business, and prove that MACCI membership is a sound investment for your Marshfield area business.
