A NOTE FROM DAWN KRUEGER, EVENTS & ENGAGEMENT DIRECTOR

Hello Marshfield,

I am Dawn Krueger, one of the newest members of the Chamber Team. I am a local girl, born and raised in Chili. I have worked in the Marshfield area for the bulk of my career, with most of those years as an Executive Assistant at V&H, Inc. - Heavy Trucks. My husband Tad and I own a small business and are proud parents to two children and even prouder grandparents to two granddaughters. I am very excited to join the MACCI team and work with an engaged group to bring exciting events to Marshfield and work to add more to the events we currently host; along with promoting engagement from the community. With a great city and unwavering support, I look forward to working together to embark on a journey filled with promise, possibility, and endless opportunities to make a meaningful difference.

CHAMBER OF COMMERCE MARSHFIELD AMBASSADOR *Spotlight*

Nick Arnoldy - Marshfield Insurance, Owner/Broker

Nick has been part of the Ambassadors for 17 years.

Being an ambassador for MACCI has been a great opportunity to support local businesses, foster community connections, and contribute to the economic growth of Marshfield. As ambassadors we get the opportunity to serve as liaisons between the chamber and its members, helping to promote events, facilitate networking opportunities, and advocate for the interests of local businesses. It's a fulfilling way to give back to the community and make a positive impact on the local economy. As a native and business owner, I felt I could easily assist, plus I enjoy socializing and introducing new members to the community!

Marshfield Insurance's Nick Arnoldy Advocates in D.C.

Nick Arnoldy, Owner/Broker of Marshfield Insurance, is in Washington D.C. to meet with Senator Ron Johnson and Representatives Bryan Steil & Scott Fitzgerald. The purpose? To tackle two critical issues affecting Main Street America and the insurance industry.

First on the Agenda was opposition to looming tax increases that could have hit small businesses hard. Nick threw his support behind The Main Street Tax Certainty Act (S. 1706 & H.R. 4721), aiming to make permanent the 20% small business deduction passed in the 2017 Tax Cuts & Jobs Act. This deduction has been crucial for many independent insurance agencies, including Marshfield Insurance, helping them keep their doors open, pay their staff, and serve their clients and communities better. Letting it expire in 2025 would have meant a significant tax hike for countless small businesses, creating an unfair playing field.

Another pressing issue on the table was the insurance market crisis, making suitable property/casualty (p/c) insurance increasingly unaffordable for millions of Americans. Nick advocated for measures to crack down on lawsuit abuse and promote risk mitigation efforts to ease the strain on the insurance market. Marshfield Insurance supported initiatives like the Protecting Our Courts from Foreign Manipulation Act (S. 2805 & H.R. 5488) and the Disaster Mitigation and Tax Parity Act of 2023 (S. 1953/H.R. 4070) to address these issues head-on.

Additionally, Marshfield Insurance stood firm in support of vital programs such as the Federal Crop Insurance Program (FCIP) and pushed for the extension and reform of the National Flood Insurance Program (NFIP). These programs play a crucial role in supporting Farmers facing weather disasters and ensuring comprehensive flood insurance coverage for all Americans.

Arnoldy's trip to Capitol Hill wasn't just about Marshfield Insurance - it was about representing Main Street America and the broader insurance industry. Stay tuned for updates on advocacy efforts and our ongoing commitment to protecting what matters most to you!

Marshfield Insurance Agent Kristi Canavan Earns CISR Designation

Kristi Canavan, a Senior Commercial Service Agent at Marshfield Insurance, has attained her certified Insurance Service Representative (CISR) designation. The CISR designation program is a nationally recognized educational program for customer service representatives.

The CISR designation involves 9 courses focused on minimizing E&O claims and understanding and analysis of risks and exposures. To earn the CISR designation, an agent must complete five courses and successfully pass the examination that follows each course within three three calendar years following the year in which they pass their first exam. To keep the designation, they must update each year with additional continuing education.

“I really enjoyed digging deeper into various insurance coverages, especially when it pertained to commercial lines as that is my day-to-day focus” said Canava. “The classes gave me a new appreciation on how important it is to make sure that any exposure our clients may have are properly identified and adequately covered”.

Six agents at Marshfield Insurance have now attained CISR Elite designation from the National alliance for Insurance Education & Research.
