###

About Mid-State Technical College

Mid-State is one of 16 colleges in the Wisconsin Technical College System, offering high-demand associate degrees, technical diplomas, certificates, apprenticeship training, customized workforce training, and industry certifications. The College district serves a resident population of over 170,000, with campuses in Adams, Marshfield, Stevens Point, and Wisconsin Rapids. Mid-State is also home to the Advanced Manufacturing, Engineering Technology, and Apprenticeship (AMETA™) Center, central Wisconsin's premier Healthcare Simulation Center, and the LEAD Center, supporting leadership growth. Thanks to a caring environment, state-of-the-art technology, and faculty with professional experience in the fields they teach, Mid-State graduates gain the real-world skills, knowledge, experience, and confidence they need for an in-demand career.
