For Immediate Release:

The Boson Company Helps Fulfill Make-A-Wish

On Friday, November 8, 2024, The Boson Company made the finishing touches and unveiled a dream tree house for Camron, an 11-year-old from Loyal, WI, whose wish to have a special space to play and imagine has come true. Camron, who's living with a respiratory disorder, expressed a love for nature and adventure. Through Make-A-Wish® Wisconsin and with the help of our dedicated team, The Boson Company was able to construct a custom-built tree house that will provide him with a safe, magical space to explore, relax and create memories for years to come.

The tree house includes a ladder, safe-elevated platform, walkway and enclosed house with windows and will soon feature a bookshelf as well.

The Boson Company would like to extend a special thanks to Staab Construction and Mid-Wisconsin Excavating for their donated labor to this project as well.

About Make-A-Wish Wisconsin: Together, we create life-changing wishes for children with critical illnesses. This year, Make-A-Wish Wisconsin is celebrating its 40th birthday. Since the Wisconsin chapter was founded in 1984, more than 8,500 Wisconsin families have experienced the power of a wish, resulting for many in a turning point in the fight against their illnesses. Currently, more than 450 children are waiting for their life-changing wishes to be granted through Make-A-Wish Wisconsin. According to a recent wish impact study, a Make-A-Wish experience leads to increased emotional and physical health for wish children. For more information on making a donation or getting involved, please visit wish.org/wisconsin or call 800.236.WISH.

About The Boson Company: The Boson Company has been operating as a construction manager and general contractor since 1932 with experience in Worship, Commercial, Dairy and Food, Office, Medical, Financial, Educational and other types of buildings. Boson works with each client to enhance the pre-planning, design, schedule, and cost, through thorough collaboration.
